

## Year 2

### Spring Suggested Homework Projects

<p>Science <i>Plants and living things</i></p>	<p>History <i>How did we learn to fly?</i></p>	<p>RE <i>Christianity - Easter</i></p>	<p>PSHE <i>Ravi's Roar – reflecting on our emotions</i></p>
<p>In science we will be learning about plants. Can you draw and label all the different parts of a plant? How many plants do you know the name of? Make a list!</p> <p>Fill in the missing letters to label parts of a plant.</p> 	<p>Can you make your own model aeroplane using junk modelling or paper? What facts can you find out about flying in the past?</p> <p><a href="#">History of Flight</a></p> 	<p>What do you remember about the Easter story? Create a storyboard or story map showing the main events.</p> <p><a href="#">The Easter Story</a></p> 	<p>How many different emotions can you think of? Draw some faces showing the emotions. Think about what makes you happy/sad/excited/nervous/shocked and draw a picture to match.</p> 
<p>Computing <i>iAnimate</i></p>	<p>Art / DT <i>Sculpture / Mechanisms</i></p>		<p>Music <i>Contrasting Dynamics</i></p>
<p>Can you make your own flip book showing how a picture moves as you turn each page? Make your own storyboard showing a cartoon scene.</p> 	<p>Can you make a sculpture out of modelling clay or playdoh? This can be in the shape of anything you are interested in! In school we will be making a tile for a house and a ferris wheel out of junk modelling.</p> 		<p>Can you create a soundscape for a rocket ship going into space? What sounds would you be able to hear? What would you use to make the sounds? How loud or quiet would each noise need to be?</p>
